

**REMARKS**

This Amendment is in response to the Office Action dated **January 8, 2008**. In the Office Action, claims 61, 63-65, 67, 69-71 and 72-73 were rejected under 35 USC §102(e) as being anticipated by Holman et al. (US 6837897). A full account of the rejection is found on page 2 of the Office Action.

Although Applicant disagrees with the rejection, independent claim 61, upon which claims 63-65, 67, 69-71 and 72-73 depend, is being amended to further distinguish it from the cited art. Applicant also notes that Holman et al. was cited in a rejection early in the prosecution of the present application, but the rejection was overcome and subsequently withdrawn. Withdrawal of the present rejection is respectfully requested.

The application should now be in condition for allowance. Allowance is therefore earnestly solicited. If the Examiner would like to further discuss the case, he is encouraged to contact the undersigned.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
